Internal Controls for Corporate Governance

Dear Valuable Customers:

We are pleased to invite you to participate in our upcoming symposium, “*Internal Controls for Corporate Governance*”, to be held at the Toranomom Pastoral Hotel on December 4. We are confident that you will find the speakers’ presentations and the panel’s comprehensive case studies relevant to Japan’s continuous move towards transparency and corporate governance.

Our keynote speaker, *Keiichiro Asao, Member, House of Councillors, the National Diet of Japan*, will provide an overview of the upgraded guidelines.

These latest JSOX guidelines and proven practices illustrated in the presentations and case studies, can be applied directly and immediately to your upcoming JSOX implementation as cost-effective and timely solutions required to manage your corporate governance initiatives.

To reserve seats for you and your guest, you may register via:
<http://www.microsoft.com/japan/business/seminar/governance.msp>

Or, you may register via e-mail:
conference@pm-global.com. (Please note your name, company and telephone number)

We look forward to seeing you Monday, December 4, at the Toranomom Pastoral Hotel.
